Services to Business Unit

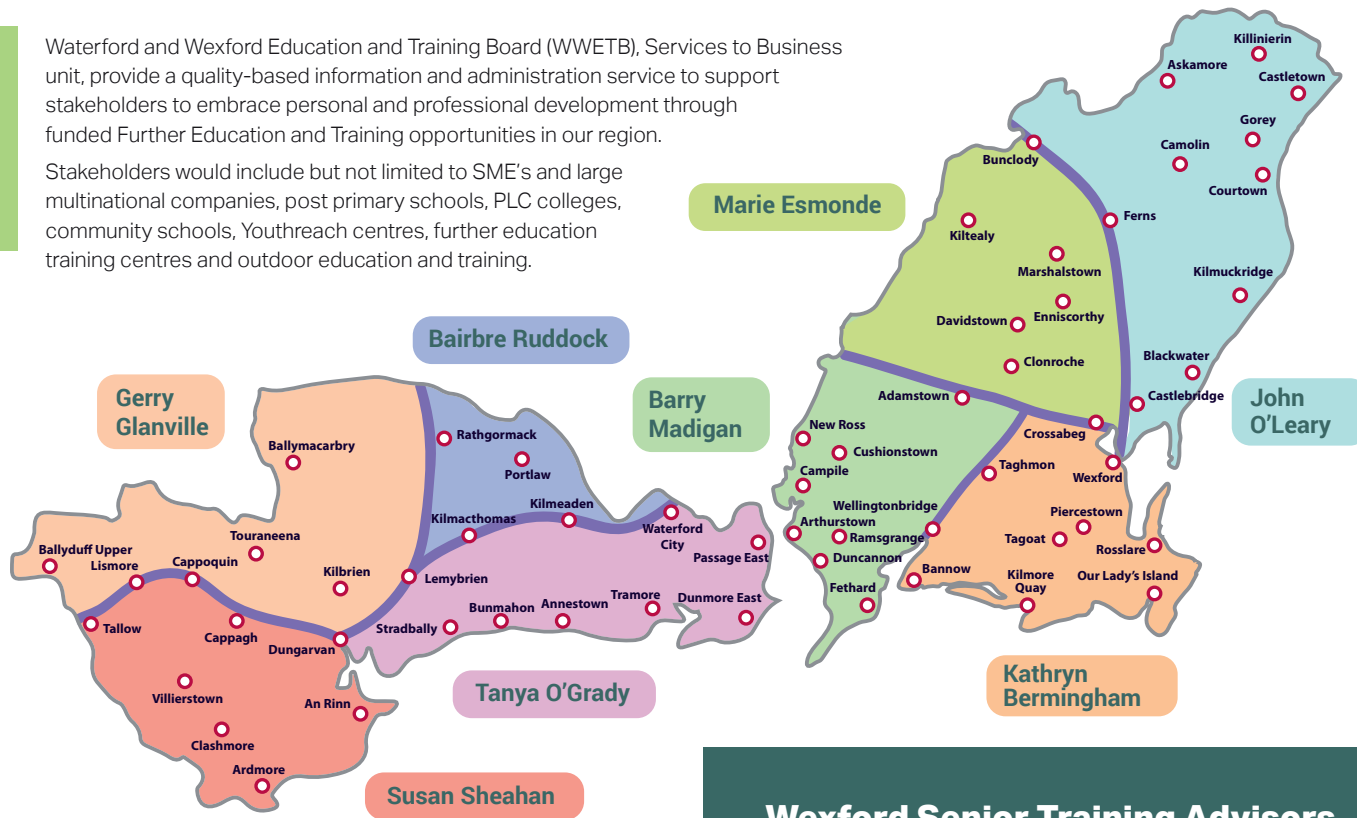

Training Business & Development

servicestobusiness@wwetb.ie

Waterford and Wexford Education and Training Board (WWETB), Services to Business unit, provide a quality-based information and administration service to support stakeholders to embrace personal and professional development through funded Further Education and Training opportunities in our region.

Stakeholders would include but not limited to SME's and large multinational companies, post primary schools, PLC colleges, community schools, Youthreach centres, further education training centres and outdoor education and training.

This service is provided by our dedicated team interacting with stakeholders in the following disciplines:

- **Statutory Apprenticeships**
(Team of SOLAS Authorised Officers)
- **Apprenticeship Learning Support Unit**
- **SME Management Development**
- **Skills for Work**
(Funded development of low skilled employees, QQI level 1 – 4)
- **Business development and training through Skills to Advance**
(Funded employee industry relevant training, QQI Level 4 – 6)
- **Specialist Training Provision**
(Community Training)
