## Waterford and Wexford Education and Training Board Statement of Board Responsibilities

Waterford and Wexford Education and Training Board was established on 1 July 2013 under the provisions of the Education and Training Boards Act 2013.

Section 51 of that Act requires the ETB to keep in such form and in respect of such accounting periods as may be approved by the Minister for Education with the consent of the Minister for Finance and the Minister for Public Expenditure and Reform, all proper and usual accounts of the monies received or expended by it.

In preparing those accounts, the Board is required to:

- (a) apply the standard accounting policies for the preparation of ETB financial statements
- (b) make judgements and estimates that are reasonable and prudent
- (c) disclose and explain any material departures from the standard accounting policies.

The Board is responsible for keeping proper books of account which disclose with reasonable accuracy at any time the financial position of the Board and which enable it to ensure that the Financial Statements comply with section 51 of the Education and Training Boards Act 2013.

The Board is also responsible for safeguarding its assets and for taking reasonable steps for the prevention and detection of fraud and other irregularities.

# Bord Oideachais & Oiliúna Phort Láirge and Loch Garman Waterford and Wexford Education and Training Board Statement on Internal Control

Waterford and Wexford Education and Training Board came into being on 1st July 2013 under the provisions of the Education and Training Boards Act 2013. On that date, Waterford and Wexford ETB took over the assets, liabilities, and functions of the former Vocational Education Committees of county Waterford and county Wexford. With effect from 1st January 2014, Waterford and Wexford ETB took over from SOLAS, the assets, liabilities and the management of the activities of their training centres.

The Code of Governance for Education and Training Boards is set out in Circular Letter 002/2019, which was issued by the Department of Education to all ETBs in January 2019. The Code was adopted by Waterford and Wexford ETB at its March 2019 meeting.

A new Board was constituted for Waterford and Wexford ETB in September 2019, and at its meeting of 12 November 2019, the Board completed the appointment of new Finance and Audit and Risk Committees.

## Responsibility for the System of Internal Control

As Chairperson of Waterford and Wexford Education and Training Board, I acknowledge the responsibility of the Board for ensuring that an efficient, effective and economic system of internal controls is maintained and operated. The system can only provide reasonable, and not give absolute assurance, that assets are safeguarded, transactions are authorised and properly recorded, and that material errors or irregularities are either prevented or would be detected in a timely period.

#### **Key Control Procedures**

The Board has taken steps to ensure an appropriate control environment by:

- Clearly defining management and staff responsibilities.
- Establishing procedures for reporting significant control failures and ensuring appropriate corrective actions.
- Establishing a formal risk management system involving procedures for identifying and evaluating all risks which could prevent WWETB achieving its objectives.

The system of internal control operated in WWETB is based on:

- Detailed administrative procedures.
- Segregation of duties.
- Specific authorisations.
- Internal checks.
- Monthly management review of reports outlining the actual and budgeted results of programmes operated by the ETB.

## The Boards Oversight Framework includes:

The Board's monitoring and review of the effectiveness of the system of internal controls is informed by:

• The Chief Executive who has responsibility for the internal control framework.

- Recommendations made by the Office of the Comptroller and Auditor General in management letters or other reports.
- Work of the Audit and Risk Committee and the Finance Committee.

#### **Audit and Risk Committee**

The Board's oversight of the system of internal control is informed by the work of Audit and Risk Committee (ARC) who met four times in 2020. The work programme of the ARC included consideration of:

- Internal audit reports
- External audit reports and the management letters of the Comptroller and Auditor General (C & AG)
- Annual Financial Statements
- Risk Management Framework
- Risk Register
- Audit Register
- Compliance Audit Report
- Risk Management Reports from Director of OSD
- Opinion report to the board as to the adequacy and appropriateness of the systems of internal control

The Director of OSD, Director of FET, Head of Finance and Head of Corporate Services provided reports on operation of controls, finances and met with the Audit and Risk Committee in 2020 and in 2021.

The Audit and Risk Committee reviewed the effectiveness of the system of internal controls for the relevant reporting period on 15 March 2021.

#### **Finance Committee**

The Board's oversight of the system of internal control is also informed by the work of Finance Committee who met four times in 2020. The work programme of the Finance Committee included consideration of:

- Annual Financial Statements 2020
- Recommendation to the Board of AFS 2020
- Monthly Income and Expenditure Accounts

The Director of OSD, Head of Finance and Head of Corporate Services reported to the Finance Committee in 2020.

The Finance Committee reviewed the Annual Financial Statements 2020 on 24 March 2021 and recommended their adoption to the Board.

#### **Internal Audit**

An internal audit service is provided by the Internal Audit Unit-Education and Training Boards (IAU-ETB), who provide an overall opinion on areas audited. The overall opinion is

based on the findings identified during the audit and the range of possible opinions is as follows:

Comprehensive: System of internal control is adequate and operates effectively.

Adequate: System of internal control is generally adequate and operates effectively.

Inadequate: System of internal control is inadequate and does not operate effectively.

An internal audit review concerning Local Training Initiatives (LTI) commenced in the period from the 01 January 2020 - 31 December 2020 and field work has not yet concluded.

The findings of three audit reports conducted in 2019 were issued by IAU-ETB in 2020 and covered the areas of:

- Youthreach see below
- Review of Previous Audit Findings see below
- Procurement see below

In 2018, the IAU-ETB conducted an audit of the 2017 Youthreach programme as operated by Waterford and Wexford Education and Training Board. The findings of this report were issued by the IAU-ETB in February 2020. The opinion of the IAU-ETB is that Waterford and Wexford Education and Training Board has an adequate system of internal control in relation to Youthreach.

The report contained 19 recommendations rated high (2), medium (13) and low (4). The rating depended on the risk (reputational, financial or operational) associated with the control issue identified and the extent to which the risk has already been realised based on the results of the audit.

The current position is that 6 of the medium and 1 of the low recommendations have been implemented. The implementation of the remainder of the recommendations is in progress.

In 2019, the IAU-ETB conducted a review of previous audit findings in the areas of receipts, adult literacy programme and teacher allocation & co-operation hours as operated by Waterford and Wexford Education and Training Board. The findings of this report were issued by the IAU-ETB in July 2020. The opinion of the IAU-ETB is that Waterford and Wexford Education and Training Board has a comprehensive system of internal control in relation to these three areas.

The report concludes that of the twenty previous recommendations reviewed, rated high (10), medium (8) and low (2), that 16 were implemented, 2 high ratings were partially implemented and 2 high ratings were not yet implemented. The implementation of these recommendations is in progress.

In 2019, the IAU-ETB conducted an audit of procurement as operated by Waterford and Wexford Education and Training Board in 2018. The findings of this report were issued by the IAU-ETB in May 2020. The opinion of the IAU-ETB is that Waterford and Wexford Education and Training Board has an adequate system of internal control in relation to procurement.

The report contained 16 recommendations rated high (3), medium (8) and low (5). The rating depended on the risk (reputational, financial or operational) associated with the control issue identified and the extent to which the risk has already been realised based on the results of the audit.

The current position is that 2 of the high, 3 of the medium and 5 of the low recommendations have been implemented. The implementation of the remainder of the recommendations is in progress.

## Breaches of system internal control Procurement-

WWETB is continuing to work towards meeting all its responsibilities in respect of procurement regulations. There are instances where goods and services are procured across over 40 sites through competitive procurement processes, in line with WWETB's Procurement Policy, but the cumulative value across all sites exceeds National/EU tendering thresholds.

Based on analysis of 2020 expenditure in areas where an organisation- wide eTenders process is appropriate, expenditure totalling €2,660,256 (excluding VAT) has been identified as non-compliant as follows:

(a) The non-compliant aggregate spend across WWETB for 2020 where the category of spend exceeds €25k or where supplier payments exceeds €25k and no contracted supplier in place was €2,364,289. Schools and centres procured at school/centre level in accordance with WWETB Procurement Policy however, the aggregate value across all sites exceeded the tendering threshold. This involved spend analysis for suppliers over €25,000 expenditure and for categories of spend. The top categories of spend are:

Comment
Electrical Maintenance Framework contract has been completed Plumbers Contract awarded in Q3 2021. Remaining maintenance areas are currently in process
New contract has been awarded in Q3 2021
Tender has been published in Q3 2021
Competition completed
Tender to be put in place H2 2021

The above 5 categories represent 54% of the total non-compliant spend in this category.

The remaining balance of €1,080,265 relates to 15 smaller contracts of which 2 (to the value of €140,126) are compliant in 2021, with tender competitions scheduled for the remaining contracts in 2021/2022.

**(b)** Where there was a contract in place but expired and rolled over:

ICT Engineers €76,252 Contract Extended pending the completion of OGP Ter	
Printing Management €58,135	Contract extended pending completion of OGP tender

Stationery Contract €48720	OGP framework terminated	

Total spend where contracts expire or roll over is €183,107 excluding VAT.

(c) Where schools/ centres are purchasing goods/ services from non-contracted suppliers where a contract is in place:

Total spend for failure to utilise OGP/ETB contracts is €112,860. Non-compliance in this area relates mainly to small items of stationery and IT supplies purchased across schools and centres.

WWETB has developed a Corporate Procurement Plan for 2020-2021, which sets out actions to address areas of identified non-compliance and other WWETB procurement needs. WWETB will continue to monitor and review all areas of expenditure to identify opportunities where tendering and the utilisation of existing National Frameworks for goods and services will provide best value for money and meet compliance requirements.

#### Fraud

No incidents were reported under WWETB's Fraud Policy in 2020.

An early warning notice was sent to the Department of Education in 2020 notifying it of a possible financial irregularity in respect of a third-party organisation for a programme financed by public funds.

#### **Protected disclosures**

WWETB received no protected disclosures in 2020 under the Protected Disclosure Act 2014

#### Risk Management

WWETB has a Corporate Risk Management in place across the organisation. The Risk register was reviewed at each meeting of the Audit &Risk Committee in 2020 and the Committee continues to monitor the implementation of the WWETB Risk Management Business plan.

## Issues progressing at Sectoral level

## Breaches of system internal control - Single Public Services Pension Scheme

Circular Letter 11/2014 obliges ETBs to provide benefits statements and calculations to members of the Single Public Services Pension Scheme by end of June 2014. WWETB did not meet its obligations to provide annual pension statements to all members of the Single Public Service Pension Scheme in 2020. The Executive has advised that WWETB is approximately 42% compliant with issuing pension statements to staff as at the end of 2020. This is an issue across the ETB sector and is being pursued at national level. Following the provision of funding by the Department of Education, WWETB was able to employ an additional temporary resource to assist with the provision of pension statements. This funding ended in July 2020 and additional pensions resource funding from the Department of Education will be required to enable WWETB to bring compliance into line with statutory timeframes.

#### **Payroll Shared Services**

The Education Shared Business Service (ESBS) has been established to deliver shared services in the Education sector. The migration of WWETB payroll for all staff is planned to take place in 2023.

#### Covid-19 Pandemic

In 2020, the economy and the ETB sector have been significantly affected by the COVID-19 pandemic. However, WWETB continues to carry out its vital role in education and training while being focused on ensuring continuity of education for learners including a particular focus on more vulnerable students.

Assessments of the impact of Covid-19 were carried out and the results are as follows:

- The financial impact of COVID-19 commenced in March 2020. The main factors giving rise to additional costs and reduction in income are as follows:
  - Additional unplanned expenditure on ICT equipment, cleaning and PPE equipment to enable the continuation of learning for students and the safety of its employees by remote working.
  - Additional costs to deliver training as extra training allowances are payable to participants in further education and training centres.
  - Reductions in income in self-financing activities such as Night Schools programmes and the Outdoor Education and Training Centre resulting in financial deficits in 2020.
  - Savings from consumables and costs incurred from contract management services due to reduced activity levels.
  - Savings associated with the delivery of apprenticeships and other FET programmes as most craft apprentices were released to their employers. However, it should be noted that this delay will lead to greater costs from 2021.
- WWETB has taken the following steps to manage the effects of the pandemic
  - From the commencement of this crisis WWETB engaged its business continuity plan to ensure that its operations continued as normal in line with regulatory requirements.
  - WWETB introduced its COVID-19 Response Management Team to ensure implementation of additional control measures as required.
  - o The Audit and Risk Committee review of the updated WWETB risk register taking account of any specific risks arising.
  - The Department of Education, the Department of Further and Higher Education, Research, Innovation and Skills, SOLAS, and the Department of Children, Equality, Disability, Integration and Youth put in place a range of management structures and funding programmes to support the education and training sector and WWETB participated in these structures.
- In the medium to long term, the ETB sector will have a significant role to play in the overall tertiary system response needed for labour market activation which will form part of a broader cross government and cross agency response.

#### **Annual Review of Controls**

WWETB is committed to operating an efficient, effective and economic internal control system. I confirm that the Audit Committee at its meeting on the 15 March 2021, conducted a review of the effectiveness of the system of internal financial control for year ended 31 December 2020 in the manner prescribed by the Code of Practice for the Governance of Education & Training Boards.

#### This included

- The Executive presented a report of its review of controls (both verbally and by written report) at its meeting of 15 March 2021. The Audit and Risk Committee also got confirmation from the Chief Executive that on balance the system of internal control is adequate and appropriate. This is supported by assurances from senior managers across the organisation that internal controls are adequate and appropriate.
- A review of internal and external audit reports issued in 2020 and to date in 2021, along with an examination of minutes of meetings of the Board and Finance Committee to ensure there are no inconsistencies in these with the assessment of internal control provided to the Audit and Risk Committee in Internal Audit Reports and Management representations.
- The Audit and Risk Committee presented a report on the review of controls to the Board on 30th March 2021.
- A review of governance and control activities in 2020 including:
  - o Engagement between the Audit and Risk Committee, Finance Committee, Board and the executive
  - Reports from the Chief Executive, Director of Organisation Support and Development (OSD), Director of Schools and Director of Further Education and Training (FET) to the Board
  - Reports from the Director of OSD, Director of FET, Head of Finance and Head of Corporate Services to the Audit and Risk Committee
  - o Recommendations made by the C & AG in management letters or other reports
  - o Recommendations made by the Internal Audit Unit
  - Risk Management Reports from Director OSD
  - The Risk Register is kept up-to-date and presented to the Audit and Risk Committee on a regular basis.

The Board reviewed and approved this statement at its meeting held on 30 of March 2021.

#### Report for presentation to the Houses of the Oireachtas

#### Waterford and Wexford Education and Training Board

#### Opinion on the financial statements

I have audited the financial statements of Waterford and Wexford Education and Training Board for the year ended 31 December 2020 as required under the provisions of the Education and Training Boards Act 2013. The financial statements comprise

- the statement of accounting policies
- the operating statement
- the statement of current assets and current liabilities, and
- · the related notes.

#### In my opinion,

- the financial statements properly present the income and expenditure of the Board for 2020 and the state of affairs of the Board at 31 December 2020, and
- the financial statements are in accordance with the accounting policies laid down by the Minister for Education.

#### Basis of opinion

I conducted my audit of the financial statements in accordance with the International Standards on Auditing (ISAs) as promulgated by the International Organisation of Supreme Audit Institutions. My responsibilities under those standards are described in the appendix to this report. I am independent of Waterford and Wexford Education and Training Board and have fulfilled my other ethical responsibilities in accordance with the standards.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

## Report on information other than the financial statements, and on other matters

The Board has presented certain other information together with the financial statements. This comprises the statement of Board responsibilities, the statement on the system of internal control and a schedule of activities and pay costs. My responsibilities to report in relation to such information, and on certain other matters upon which I report by exception, are described in the appendix to this report.

#### Non-compliance with procurement rules

The statement on internal control discloses that in 2020 the Board incurred significant expenditure where the procedures followed did not comply with public procurement guidelines. The statement also sets out the steps taken or planned by the Board to address this matter.

#### Appendix to the report

#### Responsibilities of Board Members

As detailed in the statement of Board responsibilities, the Board members are responsible for

- the preparation of the financial statements in the form prescribed under section 51 of the Education and Training Boards Act 2013
- the keeping of proper books of account which disclose with reasonable accuracy at any time the financial position of the Board
- safeguarding the Board's assets and taking reasonable steps for the prevention and detection of fraud and other irregularities.

## Responsibilities of the Comptroller and Auditor General

I am required under the Education and Training Boards Act 2013 to audit the financial statements of Waterford and Wexford Education and Training Board and to report thereon to the Houses of the Oireachtas.

My objective in carrying out the audit is to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement due to fraud or error. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with the ISAs, I exercise professional judgment and maintain professional scepticism throughout the audit. In doing so,

- I identify and assess the risks of material misstatement of the financial statements whether due to fraud or error; design and perform audit procedures responsive to those risks; and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- I obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the internal controls.

- I evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures.
- I conclude whether the financial statements properly
  present the income and expenditure of the Board and
  whether the statement of balances, as represented by the
  statement of current assets and current liabilities presents
  the state of affairs of the Board.
- I evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

I communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that I identify during my audit.

#### Information other than the financial statements

My opinion on the financial statements does not cover the other information presented with those statements, and I do not express any form of assurance conclusion thereon.

In connection with my audit of the financial statements, I am required under the ISAs to read the other information presented and, in doing so, consider whether the other information is materially inconsistent with the financial statements or with knowledge obtained during the audit, or if it otherwise appears to be materially misstated. If, based on the work I have performed, I conclude that there is a material misstatement of this other information, I am required to report that fact.

#### Reporting on other matters

My audit is conducted by reference to the special considerations which attach to State bodies in relation to their management and operation. I report if I identify material matters relating to the manner in which public business has been conducted.

I seek to obtain evidence about the regularity of financial transactions in the course of audit. I report if I identify any material instance where public money has not been applied for the purposes intended or where transactions did not conform to the authorities governing them.

I also report by exception if, in my opinion,

- I have not received all the information and explanations I required for my audit, or
- the accounting records were not sufficient to permit the financial statements to be readily and properly audited, or
- the financial statements are not in agreement with the accounting records.

Cost in 2020 includes employers' PRSI.

The ETB does not make pension contributions in respect of employees. Since 2013 all new entrants are obliged to join the Single Public Pension Scheme.

From 1 January 2019 onwards, members of public service defined benefit pension schemes pay an additional superannuation contribution (ASC) arising from the Public Service Stability Agreement (2018-2020) and the Public Service Pay and Pensions Act 2017.

ASC is a permanent contribution in respect of pensionable remuneration.

The ETB deducted Additional Superannuation Contributions from employees amounting to  $\mathbb{C}_{1,851,454}$  which were remitted to the Department of Education.

<sup>\*\*</sup> For primary and second level this is based on the academic year enrolment.

For FET and part time / night classes this is based on the individual enrolments in the calendar year.

<sup>\*\*\*</sup> Beneficiaries refers to the total number of places taken up in the year. This is calculated by adding enrolments as on 1 January and all subsequent enrolments throughout the year.

<sup>\*\*\*\*</sup> Participants and Beneficiaries of Training Centres Part- time/ Night Classes are included in Further Education and Training (FET) numbers.

#### 1.2 Significant Accounting Policies

#### (a) Basis of Presentation

The financial statements are presented in the form approved by the Minister for Education with the consent of the Minister for Finance and the Minister for Public Expenditure and Reform. They consist of a Statement of Accounting Policies, an Operating Statement, a Statement of Current Assets and Current Liabilities and notes to the financial statements.

Where necessary, the comparative figures for the previous year have been restated on the same bases as those for the current year.

#### (b) Revenue, Expenditure, Asset and Liabilities Recognition

The Operating Statement presents Receipts and Payments by Programme Grouping and the resultant Cash Surplus / (Deficit) is adjusted for other debtor and creditor movements to determine the overall result for the period on an accrual basis.

The Statement of Current Assets and Current Liabilities is prepared on the accruals basis by determining state grant and other funder balances at amounts that reflect the related receipts received and expenditure incurred and in accordance with the funding rules.

Third Party Debtors are included in Current Assets. Pay and Expense Liabilities are included in Current Liabilities.

#### (c) Tangible Fixed Assets

All assets purchased including land and buildings, fixtures and fittings and training equipment are expensed in the year of purchase. State grants to fund the purchase of tangible fixed assets are recognised in the same year.

#### (d) Stocks

All consumable stocks are expensed as purchased.

#### (e) Superannuation

The pension entitlements of ETB staff, including those who transferred from SOLAS, are conferred under defined benefit schemes. Staff employed since 2013 are included in the Single Public Service Pension Scheme and quarterly payments are made to the Department of Public Expenditure and Reform.

Superannuation deductions made from employees' pay in respect of the schemes are retained by the ETB as part of agreed Exchequer funding, or paid over to the Department of Public Expenditure and Reform.

The ETB does not make any contributions towards the schemes.

These unfunded schemes are operated on a pay as you go basis with the annual pension entitlements being paid by the National Shared Services Office on behalf of the ETB. ETBs are responsible for the administration of their pensions. Pension funds are provided by the Department of Education.

Provision has not been made in the financial statements for the present cost of the future benefits that have accrued to staff members and existing pensioners under these schemes.

#### (f) Lease Rentals

All lease rentals are expensed as incurred.

#### Notes

a Opening balances

**b** Pay

Balances are reported on an accruals basis.

Department of Education: Post-Primary Schools and Head Office Pay Grant was expected to be funded by direct receipts from grantor of €37,406,637 and anticipated receipts from Retained Superannuation Contributions of €2,490,188. Actual receipts of Retained Superannuation Contributions were €2,493,052, which is €2,864 less than anticipated. Surplus receipts are due to the Department of Education and are not considered part of the current year funding.

c Non Pay

Department of Education: Post-Primary Schools and Head Office Non Pay Grant was expected to be funded by direct receipts from grantor of €3,873,511 and forecasted locally raised receipts of €70,418. In 2020 actual locally raised receipts were €165,794 (Locally raised receipts includes an IPB Capital Dividend of €93,398 which was not included in original forecast estimate) resulting in a surplus of receipts of €95,376 over the amount forecasted. Surplus receipts are due to the Department of Education and are not considered part of the current year funding.

d Surplus/(Deficit) for 2020

Total grants are set by reference to anticipated expenditure. In the case of Post-Primary Schools and Head Office Non-Pay programmes expenditure limits are set. Expenditure incurred in excess of this limit gives rise to a deficit, whereas savings can be retained and used to fund future deficits. WWETB had a Revenue Surplus of £1,587,786 for the year ended 31/12/2020(Per Operating Statement page 7) and an Accumulated Revenue Surplus as at 31/12/2020 of £880,286 (Per Operating Statement page 7 and Statement of Current Assets and Current Liabilities page 8). This surplus is made up of £108,887 relating to School and Head Office Non Pay, £716,689 relating to Self Financing Projects, £99,015 relating to Agency Projects and net (£44,305) deficit relating to others. The surplus on self-financing and agency is mainly accounted by monies raised for school activities, reflecting the proportion of balances on funds that are managed on an academic year basis which do not represent a liability as at 31st December 2020.

e Total State funding

The difference between the total amount received from grantors of  $\mathfrak{C}_{115,481,323}$  and the total in Note 12 - Funding of  $\mathfrak{C}_{117,974,375}$  is represented by Retained Superannuation Contributions of  $\mathfrak{C}_{2,493,052}$ 

f Music Generation

WWETB contributed €160,000 in respect of Music Generation Waterford and €160,000 in respect of Music Generation Wexford in 2020.

## Notes to The Financial Statements - Year Ended 31st December 2020

#### 37 The Impact of COVID 19

The COVID 19 pandemic developed rapidly in 2020. Measures taken by our government to contain the virus have affected how we operate. WWETB has taken a range of measures to monitor and mitigate the effects of COVID 19 including putting in place required safety and public health measures for our staff, student participants and beneficiaries such as social distancing and working from home. Notwithstanding the impact of COVID 19, WWETB continues to carry out its vital role in education and training with a focus on ensuring continuity of education for learners, including a particular focus on more vulnerable students.

Since March 2020 the pandemic has had a financial implications for WWETB and we have received additional resources in the form of government grants to assist us in continuing in our role.

In 2020 we received the following additional COVID 19 related funding

- · Department of Education COVID 19 Operational supports for a full return to school €295,179
- Department of Education- COVID 19 Additional Supervision Arrangements €173,390
- Department of Education -Calculated Grades Aides €33,272
- Department of Education Minor Works Grant €980,143
- · SOLAS- COVID 19 FET overheads €622,000
- SOLAS- ICT Fund for Disadvantaged Students €308,000
- Department of Children, Equality, Disability, Integration and Youth Youth Grants €25,611

This additional grant assistance provided funding across a range of areas of expenditure arising from the pandemic such as:

- · Minor works including classroom reconfiguration
- · Hand sanitiser and PPE
- · IT Equipment and software licences
- · Cleaning Support
- · Calculated grades aides
- · Additional Short term COVID related rental

The additional costs incurred were partially offset by savings in the areas of

- · Substitution costs
- · Travel and subsistence
- · Consumables and
- · Savings associated with the delivery of Further Education and Training provision, including apprenticeships, where classes did not take place as scheduled and there was a drop in learner payments.

WWETB has taken the following steps to manage and mitigate the effects of the pandemic on its operation

- · From the commencement of this crisis WWETB engaged its business continuity plan to ensure that its operations continued as normal in line with regulatory requirements.
- WWETB introduced its COVID-19 Response Management Team to ensure implementation of additional control measures as required.
- The Audit and Risk Committee review of the updated WWETB risk register taking account of any specific risks
- The Department of Education, the Department of Further and Higher Education, Research, Innovation and Skills, SOLAS, and the Department of Children, Equality, Disability, Integration and Youth put in place a range of management structures and funding programmes to support the education and training sector and WWETB participated in these structures.

In the short term we will continue to follow the various government policies and advice and, in parallel, we will do our utmost to continue our vital role in the best and safest way possible. In the medium to long term, the ETB sector will also have a significant role to play in the overall system response needed for labour market activation which will form part of a broader cross government and cross agency response. This has been seen already in particular through the provision of measures contained in the Government July Jobs Stimulus such as the Skills to Connect initiative and retrofitting courses which are being rolled out across ETBs.
