 Once results have been signed off by the Results Approval Panel and issued to the Learner by the Centre, a Learner may appeal that result and/or appeal the process to the Centre where the Learner attended the programme. Learners who wish to lodge an appeal may do so at a cost of €30 for each result/grade being appealed. This fee will be returned to the Learner if the appeal is successful. A Learner may appeal against the Assessment Process if the Learner perceives there to be irregularities/in equalities in the implementation of the process. If the process is being appealed against, the grounds for appeal should be clearly stated. Notice of an appeal should be submitted on an Appeals Application Form. The Learner will have a minimum of 14 calendar days (10 working days) from the date of the Statement of Results being issued by the Centre to lodge an appeal with the Centre. Any applications for appeal received after that date will not be processed. 	· Centre Director/Principal · QQI Coordinator · Programme Coordinator · Programme Staff · BTEI Co-ordinator · VTOS Coordinator	· Appeals Application form
